

GET MICROSOFT QUALIFIED

Did you know that one of our enrichments offers you the chance to take your skills and knowledge to new heights, and gain an additional qualification at the same time?

You'll use Microsoft Office packages such as Word and PowerPoint on a day to basis. Of course, you'll need to use this type of software at university and at work too.

Here at HNC you can undertake your Microsoft Office Specialist qualification. Not only will this teach you new ways of using these types of packages, you can also gain a formal qualification demonstrating these skills, helping you to stand out from the crowd.

This runs all year round, and there is no set point in the year you need to join. Visit Moodle for further information and to book your spot!

BLACK HISTORY MONTH

This month is Black History Month (BHM) and this year's theme is "time for change: action, not words".

As a College community, we are inviting you to submit nominations for your inspirational figure to feature in our Black History Month display and celebrations.

We are keen to celebrate pioneers and hidden figures - just some of the nominations so far include Mary Seacole, Stormzy, Dr Anne-Marie Imafidon and Lewis Hamilton. You can also share who you would like to see on our BHM playlist.

Share your nominations here: <https://tinyurl.com/2uafm23u>
All you need to do is share your nomination, and tell us a little bit about why their achievements inspire you using our quick and easy form.

INTERESTED IN A DEGREE APPRENTICESHIP?

If you're thinking of a degree apprenticeship then you may want to have a look at an upcoming TV programme which will be shown on 13th October from 2pm.

Produced by High Fliers research, this is an opportunity to learn more these competitive degree apprenticeships and hear from some case studies about their experiences. There's also expert advice and guidance from leading employers. Find out more here:

DISCOUNTED DELL PRODUCTS

As a College we can access discounts on Dell products. If you're looking for a new laptop or PC you may wish to take a

look.

If you would like to access this, copy and paste the link below into your browser to find out more. You'll need to input your HNC email address in order to receive a discount code.
