

YOUR UPDATES

We appreciate that it this is an anxious and worrying time for all of our students. We'd like to reassure you that we'll share information and updates with you as we have them, and as quickly as possible.

We'll do this via Moodle, so please check your emails. As part of helping you stay updated generally, we will also issue extra editions of News Bites to help you stay connected to Your HNC.

MAKING REMOTE LEARNING A SUCCESS

Our priority is you, our students, and making sure that we ensure your continued progress and success. We appreciate that our move to remote learning has been a sudden one, and our staff are working hard to ensure that this is effective.

We are asking you to work with us by continuing with this approach and completing the tasks set by your teachers. It is also great preparation for your future, developing your independent research skills. We will be sharing a range of resources and ideas during this time to help with this. This free online course from the University of Leeds is a great read, sharing more about how you can get the most of learning in this way, and helping you to develop some of the skills you may need. Take a look here: www.futurelearn.com/courses/preparing-to-learn-online-at-university

CARE FOR YOUR MENTAL HEALTH

Looking after your mental health is crucial during this time, please take a look at the excellent resources from Mind by clicking the banner on the Moodle home page. Remember our safeguarding team are also contactable via safeguarding@huddnewcoll.ac.uk, and Your HNC will continue to support you during these unprecedented times.

APPLIED FOR UNI?

Due to Coronavirus, the results, confirmation and clearing process this summer will be different.

Universities and UCAS are currently in discussion with the Government regarding the details of how this will work and updates will be given in due course.

Please ensure the telephone number/s on your UCAS application are current and notify both UCAS and your university choices of any changes. You can use UCAS Track to notify UCAS of any changes. UCAS have also introduced a Coronavirus/Covid-19 information link on their home page.

FINANCIAL HELP

If you receive Free School Meals and/or a bursary we will be in touch with how we will pay this directly to you during our remote learning phase to ensure that you receive this support during this time.

Head Student Applications

You are welcome to continue to submit your applications during this time in preparation for when we return to Campus and we are able to arrange interviews

Careers remain available to support you during this time - see the Careers section on Moodle for full details and lots of resources and ideas!

Coronavirus

Please remember to take extra care with handwashing and follow all of the guidance around social distancing and self-isolation - take care and stay safe
