

NATIONAL POETRY DAY

Next Thursday 7th October is National Poetry Day and we're celebrating how poetry is for everyone!

During the run up to the day we'll be asking you to get involved by:

- Joining our guess the poem from the emojis competition on social media
- Taking a look at our social media showcases where College staff will be sharing their favourite poems. They will also be revealing why they have chosen that particular poem
- Pre-registering your interest to take part in the national Poetry by Heart competition
- Sharing your favourite poem with us via news@huddnewcoll.ac.uk

The Poetry by Heart website allows you to explore a wide range of poetry by themes, decades and authors.

What will inspire you? Visit <https://www.poetrybyheart.org.uk/>

YOUNG ADULT CARERS

Are you helping to care for someone at home? Then you may be a Young Adult Carer!

Young Adult Carers are young people aged 16–25 who are caring for a family member with a physical illness, disability or mental health issue.

You might be helping with things such as cooking meals, visiting the cared for person in hospital, keeping someone company, cleaning or providing personal care. If you think this applies to you then help is available within College. For further information please email Kayleigh Smith (Young Carers Champion) k.smith@huddnewcoll.ac.uk

FOODBACK COLLECTION

We will once again be hosting a collection point in the Hub for the Welcome Centre's foodbank appeal. As a College we work to support our local community as much as possible. Food banks are facing more demand than ever before, so we hope that as a College we can help to make a difference.

DofE - JOIN US

Did you know that you can complete the Duke of Edinburgh (DofE) award at HNC?

This is a fantastic opportunity to learn new skills, challenge yourself and gain a qualification that helps you to stand out from the crowd. Did you know that often many of the things you already do can be counted towards your DofE Award? For example if you already volunteer, are learning a new skill such as BSL or you write for the HNC Echo, these can all be included.

Undertaking the DofE ensures that you genuinely stand out from the crowd as you will grow your skills, resilience and confidence during your DofE journey.

On Wednesday 6th October we're hosting an informal information session in room 812 from 12.25pm - 1pm. This is your chance to learn more about what DofE can do for you without any obligation to sign up.

Could you access a **FREE** place? We're delighted to share that we have secured funding to help students who already receive support with the costs associated with College to benefit from DofE. You can find out more by joining the meeting or emailing dofe@huddnewcoll.ac.uk
