

GREASE IS THE WORD!

Could you be part of our upcoming performance of Grease? Whether you want to sing, dance or act, run lighting or even be in charge of costumes and make-up, you can join the team who will be putting the show together as an enrichment. There are a huge range of roles available and you do not have to be studying Performing Arts or a related subject to take part.

For further information email c.john@huddnewcoll.ac.uk or pop along to the Dance Studio on a Wednesday lunch from 12.25pm.

WORLD MENTAL HEALTH DAY

This Sunday is World Mental Health Day. You'll see lots on social media about caring for your own mental well-being, and that of others. We're supporting a campaign linked to this day from the AoC which highlights how simply listening can make a huge difference to others. This week why not make an extra effort to ensure you take time to genuinely listen to a friend? Find out more here: <https://tinyurl.com/kjb7sbpv>

POETRY COMPETITION

Are you looking for a fun and creative way to express yourself? Then the Empowered Poetry competition might just be for you.

This competition is designed to give you the opportunity to write a poem about something you are passionate about. The subject is completely your choice and there is a £100 prize to be won.

From sonnets and haikus to rhymes and free verse, this is your chance to write the kind of poem you would like to read, using your own words and style.

If you're interested in entering, or you would like some more information, please email e.thompson@huddnewcoll.ac.uk. Entries must be received by 18th October.

FREE DofE PLACES

We have a number of fully funded DofE places left. These are available to students who receive help with the costs of College e.g. a Student Bursary. This is a fantastic opportunity to stand out from the crowd and enjoy some unique experiences at no cost to you! Email dofe@huddnewcoll.ac.uk for further information.

A GREENER HNC

We are working to be a greener College. Our focus is on small, realistic actions we can all take. If we all do these collectively as a College community, we can have a big impact on climate change! As part of this, we'll soon be relaunching the HNC Green Pledge. This asks you to commit to some simple steps such as recycling more and making more informed choices as a consumer.

Linked to our drive to become a greener HNC, our Wildlife Champions have started a project to attract more wildlife to Campus and as part of this have been litter picking. Litter can have a devastating impact on wildlife who are attracted to the smell of food, and can become trapped inside packaging or injured by it. You can easily prevent this by ensuring your waste is disposed of in a bin, and picking up any litter you may see.

It is also coming up to COP26 - the global conference which is working to tackle climate change. As a College we will be making tackling climate change part of our daily lives. To read more about COP26 and why we all need to make changes to help the environment visit: <https://ukcop26.org/>

TOP APPS

Duolingo is a great way to learn a new language! Whether you are planning a holiday and want to learn a few phrases or want to grow your skills, this free app is a great tool

KNOW SOMEONE IN YEAR 11? Please let them know about our upcoming Open Event on Thursday 21st October 5.30- 8.30pm

PROTECT BTECs Next week our Head Student team will be in the Dining Area asking you to support the current petition which is calling on the government to save BTECs
