

LUNCHTIME BITES SHOWCASE

Have you signed up to a Lunchtime Bites session yet? Don't forget to visit the HNC Enrichment section of Moodle to explore how you can invest in yourself and grow your skills! Each week we will shine a spotlight on a couple of our Lunchtime Bites opportunities.

You'll explore what makes good design, before bringing your own ideas to life through a variety of mediums. Please note no prior experience is required, and you don't have to be studying a related subject to take part.

Like moving to music? Our Dancercise enrichment is a great way to get active to the latest upbeat music and fit exercise into your lunch break.

You don't need to have any prior dance experience or ability, and this is suitable for all fitness levels.

Every Wednesday. See Moodle or email c.john@huddnewcoll.ac.uk

Want to play a fun team sport with no pressure? HNC Rounders is a non pressurised way to have fun and play a team sport. Takes place every Tuesday on the field or if the weather is poor, in the Sports Hall. Visit Moodle or email e.bolton@huddnewcoll.ac.uk

COMING UP: MORE SOCIAL SPACE FOR YOU!

We are continuously investing in your College Campus and following your feedback about social spaces, we are expanding the Costa Cafe by adding a mezzanine level (illustration below).

This means the Costa Cafe will be closed from week commencing 27th September to enable us to invest in this space. During this time the heated outdoor marquees will remain open, and offer additional space during busy periods such as lunch or break.

We hope you will enjoy the bigger space to grab a coffee, and enjoy the social aspect of College life!

THANK YOU FOR YOUR PRIDE IN HNC

We're delighted to see that you have all settled into life on Campus so quickly, and we're hoping you are enjoying all of the opportunities on offer. We thank the vast majority of you who are taking pride in your environment, and showing maturity in your behaviour. We would like to however provide a reminder of some basic expectations:

* Smoking. This is not permitted anywhere other than the designated smoking shelter at the back of the rear carpark. This includes the bus bays, anywhere else outside on Campus or within any building - there are no exceptions.

* Litter. Every student is expected to place litter in the bins provided. This includes if you have been sat outside in the nice weather - litter is not only unsightly, it can have a huge affect on wildlife too.

We are working towards being a greener College, so please help us with this by using the correct recycling bins too - thank you!

Please note that any student found to be not meeting these expectations can expect to be challenged, and this is also considered a serious behaviour matter.
