

STAY SAFE: COVID TESTING

Thank you for continuing to self-test twice a week. This really is crucial in keeping our community as safe as possible. This Friday we break for the well-deserved half term holiday. Please remember to continue to self-test twice a week over the break. Remember it is also crucial to report your results. Positive, negative or even void - every test needs to be reported as it helps scientists understand the virus and how and where it is spreading. It is particularly important for us as a College given that Kirklees is a hot spot for the Indian variant. You can collect free self testing kits at College. These are available to collect from the Dining Area every morning and Monday afternoons.

GET A PCR TEST IF YOU HAVE COVID SYMPTOMS

Remember if you have ANY Covid-19 symptoms then you should immediately self-isolate and book a PCR test - even if your most recent lateral flow test was negative. The most common symptoms are headache, tickly or sore throat, cough, high temperature, shivers, vomiting or diarrhoea. PCR tests are very easy to book and in doing this you can help stop the spread of Covid-19.

ENRICH YOUR EXPERIENCE

Don't forget to enrich your HNC experience and invest in yourself by visiting Moodle to check out the latest enrichment opportunities available to you - there really is something for everyone. You may want to use the break to:

GET VOLUNTEERING

This weekend (Saturday 29th and Sunday 30th) May is the Great Huddersfield Clean Up. Join a team of volunteers making Huddersfield a better place for all.
<https://tinyurl.com/xcuhsayx>

GET CAREER READY

Register for the free THINK conference. Hosted by the Institute of Economics on 12th June. THINK will bring together some of the most prominent and thought-provoking economists from all over the world to speak about a vast range of topics from international development to the sharing economy. Places are FREE! Register at: <http://thinkiea.com/>

GET ACTIVE

Don't forget we're still running, walking and wheeling our way to Halifax, Oz. We're now at 6400 miles out of 9493 - every step counts. Email p.lombard@huddnewcoll.ac.uk to be added to the Strava group.

HAPPY HOLIDAYS

This Friday 28th May College breaks for the half-term holidays and we say goodbye to our Year 13 students. We hope you all have a well deserved break and the sun shines! We will see our Year 12s on your return, Monday 7th June.

The People are Rising

Check out a fantastic free conference on activism from Huddersfield Students Union
