

# PRINCIPAL'S DAILY BULLETIN

**Wednesday 9th September**

Today has been a quieter day.

## **An update on the answer to the question: what do I do if I display a coronavirus ( Covid-19) symptom?**

You must still follow the advice for households with a possible or confirmed coronavirus (Covid-19) infection. This sets out that you must:

- Self-isolate for at least 10 days from the first day of displaying the symptom UNLESS you test negative for Covid-19
- Arrange to have a test to see if you have Coronavirus (Covid-19)
- You must notify us immediately that you are self-isolating for 10 days and with an anticipated return to College date. You can contact us to rearrange this return to College date if you test negative for Coronavirus (Covid-19)

As you will be aware from the national media, it is getting increasingly difficult to book tests, and if you are not able to book a test, then you must self-isolate for at least 10 days. You should only return to College after these 10 days if you are not displaying any coronavirus (Covid-19) symptoms.

You can find out more here: [www.nhs.uk/conditions/coronavirus-covid-19/](http://www.nhs.uk/conditions/coronavirus-covid-19/)

## **If you use it, please wipe it!**

Can I please remind you that you are responsible for wiping down all the College equipment that you have used in a lesson, and your workspace too, before you move on. Wipes and disinfectant spray and paper towels are available in every classroom for this purpose. This is to help reduce the spread of the virus in College.

Thank you for your co-operation with this.

Take Care. Stay safe. Stay well.

Angela
