## Lunch Break Venues 12.15-1.00pm

An update.

Wednesday 14th October 2020

Thank you for your feedback about the two main dining areas.

It would seem as the weather is changing and more of you want to stay indoors to have your lunch in one of these two main dining areas, they are getting busier.

To help with this, we have created additional dining areas in the entrance to the New Theatre and in the large Sports Hall.

Remember, we also have overspill rooms in each building, that you can use to have your lunch during the lunch break:

Year 13 Rooms 413-416 in the Main Building  
Year 12 Rooms 813-816 in the Media Building

This means that you now have far more spaces in which you can have your lunch. These are all socially distanced spaces. Tables are set at a distance of 2 metres apart.

The weekly schedule below shows which of these spaces you can use and when.

It is complex but this is because the new timetable introduced on the 28<sup>th</sup> September is more complex with each year group off site on different days for 1 full day and one half day.

So please read the below schedule for your year group very carefully, and do your very best to follow it.

### Year 13: Black Lanyards: Lunch Break. Where can you go to eat your lunch?

**Mondays:** Main Dining Area, the Sports Hall, the entrance to the New Theatre, overspill rooms 413-416 or outside (weather permitting)

**Tuesday:** You should be off site all day, as this is your virtual learning day

**Wednesday:** You should be off site until 1pm, as this is your virtual learning half day. If you are in College before your first lesson on site at 1pm, due to transport arrangements, you must use the main Dining Area or the overspill rooms 413-416 or outside (weather permitting) for your lunch break

**Thursday:** Main Dining Area, Costa, the Sports Hall, the entrance to the New Theatre, overspill rooms 413-416 or outside (weather permitting)

**Friday:** You should be off site from 12.15 midday
