Dear Parents/Carers

Re: Coronavirus Updates about Free School Meals

Your daughter is in receipt of free school meals. This means that she is entitled to a fully funded meal during school term time. Provision of free school meals will continue during term time whilst schools are closed to the majority of pupils. Please take time to read the following information.

- If your daughter normally receives a free school meal and is still attending school, this will still be provided (separate information has been provided about pupils who may be coming into school)
- If your daughter is entitled to a free school meal, **and is not self-isolating**, she may come into school to **COLLECT** her lunch between 12.05pm and 12.45pm.
- If you are self-isolating and cannot attend school in person and would like support with Free School Meal provision, please indicate this on the form.

Please note that if you are choosing for a free school meal to be collected, pupils/family members will not be able to stay on site and this is for collection only.

Please click on the link below for you to indicate your preference; the form must be completed in order for us to make Free School Meal provision for any pupils who are not in school. We will assume that this information is to be used throughout the period of school closure unless you contact the school via enquiry@hodgehgs.bham.sch.uk to inform us otherwise. [FSM link.](#)

Yours faithfully

Miss C. Middlehurst
Assistant Headteacher
