Dear Parents/Carers

Dear Parents/Carers,

You will be aware that the Prime Minister has announced that schools will close to the majority of pupils from tomorrow afternoon however plans will be put in place for schools to remain open for children of key workers and those who are most vulnerable. As yet we are not sure what this will look like.

All other children will need to stay at home, so we ask that you do not send your child into school from Monday onwards.

We need to gather information at this point to ensure that we are fully prepared. We are asking parents/carers to complete the attached survey if you consider yourself to be a keyworker or a vulnerable family and would like us to consider your child continuing in school.

At the moment our understanding is that key workers include:

- Social care workers
- NHS Employers
- Prison Officers
- Emergency Services Employees
- Delivery Drivers
- Care Home Workers
- Teachers and Child Care Staff

However, we are awaiting further guidance and this list is not an exhaustive list so if you consider yourself a keyworker in another occupation please complete the survey. [Keyworker form](#)

We also need details if you consider yourself to be a vulnerable family e.g. receiving early help support or on the child protection register and will require your child to attend school.

Please can you complete and return this form by 8am on Friday 20th March 2020 if you are considering using these services.

Thank you for your continued support and working with us in these very difficult and unprecedented times.

Yours sincerely

Mrs S Adu
