Dear Parent(s)/Carer(s),

This is just a reminder that Hodge Hill Girls' School is still open to students if you require childcare during the school closure. In line with government guidance, you must meet one of the following criteria to access this provision:

- Families where **all** adults in the household are Critical workers, they are required in work during school hours and the children are **not** old enough to take care of themselves. In line with the guidance we will be asking parents to provide evidence that they are key workers providing their services at the time that childcare provision is being requested.
- EHCP students if required
- Children who would be considered vulnerable due to Social services involvement.

As you can imagine, we need to keep these numbers as low as possible to protect the children attending and the staff required on site to oversee this provision. Please can you therefore consider carefully if you require childcare provision. If it is required, please can you complete the survey below by **3pm on Monday 18th May 2020** to indicate what days in June you require support.

If you require provision during May, please can you email the school, giving at least 48 hours notice to provision being required so we can ensure adequate staffing is available on site.

We are very aware that this is a challenging time for all concerned. If you require additional support to that offered above, please contact the school office via the following email enquiry@hodgehgs.bham.sch.uk and we will endeavour to help where we can.

As you are aware there are frequent government updates, when we are in a position to make any changes to the current provision this will be communicated with you.

Many thanks for your continued support.

Yours sincerely,

Mrs S Adu
