Important Holiday Information

Keeping our whole school community safe and well is a priority and we want everyone to be able to enjoy the holiday period.

If your daughter develops symptoms or tests positive for COVID-19 within 48 hours of being in school you must inform the school with your daughter's full name, form group and date of birth by using the following email address

- Covid-alert@hodgehgs.bham.sch.uk

Upon receipt of receiving the email someone will be in contact with you.

For example: Your daughter was last in school on Friday 18th December and develops symptoms anytime on or up to Sunday 20th December school should be contacted. If your daughter develops symptoms from Monday 21st December onwards school does not need to be contacted and you should follow the contact tracing instructions provided by NHS Track and Trace.

May I take this opportunity to thank you for your continued support of the school and wish you a happy and peaceful holiday.

Yours sincerely
