Dear Parent(s)/Carer(s),

Re: Parent/Carer Learning Performance Workshop for Year 8 and Year 9 Pupils

You may remember that last year we hosted a number of very successful workshops for parents and carers along with your daughters which were hosted by Learning Performance Training. The workshops focused on strategies that you could use to support your daughter with her learning.

This year, in the light of the current circumstances with regards to COVID-19, we have adjusted our provision and a workshop is available for you to access at your convenience by visiting

<https://onehub.learningperformance.com/files/iwujagsx>. We would encourage you to watch with your daughter.

The password to access the video is '**SUCCESS**' and the video will be available until **Wednesday 4th**

November 2020. You may also find <https://onehub.learningperformance.com/files/e5sp1zc5> useful as you reflect on the learning from the video.

Learning Performance is the UK's leading study skills company. Their interactive and motivational workshops show students how to learn, how to revise and how to prepare for exams with creative strategies such as, memory techniques. Research shows equipping students with such learning strategies can improve progress by an average of 8 months. We hope that parents will learn a number of methods to support their daughters with their learning and exam preparation which can be used at home.

For more information about Learning Performance and the work they do with schools, please visit www.learningperformance.com

After you have accessed the workshop, we would encourage you to provide us with feedback by completing a short evaluation which is available by visiting

We are all adapting to new ways of doing things and we appreciate you taking the time to let us know your thoughts. Please do not hesitate to get in touch if you have any questions.

Yours sincerely,

Miss C Middlehurst
