Dear Parent(s)/Carer(s),

Re: Parent/Carer Learning Performance Reading Workshop for Year 7 Pupils and Parents

Over the last few years, we have worked in partnership with Learning Performance Training who have visited school to deliver workshops to many of our pupils and also to parents with a focus on supporting an understanding of the learning process. This year, in the light of the current circumstances with regards to COVID-19, we have adjusted our provision and a parents'/carers' workshop is available for you to access at your convenience by visiting <https://onehub.learningperformance.com/files/ipehtygz>. We would encourage you to watch with your daughter.

The password to access the video has been emailed to all parents via School Gateway. You may also find the following links useful as you reflect on the learning from the video:

Learning Performance is the UK's leading study skills company. Their interactive and motivational workshops show students how to learn, how to revise and how to prepare for exams with creative strategies such as, memory techniques. Research shows equipping students with such learning strategies can improve progress by an average of 8 months. We hope that parents will learn a number of methods to support their daughters with their learning and exam preparation which can be used at home. For more information about Learning Performance and the work they do with schools, please visit www.learningperformance.com

After you have accessed the workshop, we would encourage you to provide us with feedback by completing a short evaluation which is available by visiting
