10<sup>th</sup> November 2017

Dear Parent(s)/Carer(s),

### **Non Uniform Day**

Friday 17<sup>th</sup> November 2017 will be the school's first non uniform day of this academic year.

The cost to participate during this non uniform day is £1 and the proceeds are being collected for Children In Need. Further details about the charity can be found at the following address:

<https://bbcchildreninneed.co.uk/fundraisinghub>

Although it is non uniform day, please ensure your daughter is wearing sensible clothes and footwear and that they are fully prepared for their lessons, which means that all pupils **must** bring their planners, exercise books and PE kits (if they have PE on the Friday) into school as normal. **Year 10 and Year 11 have mock examinations on Friday and will therefore need to ensure that they are in appropriate non uniform dress for examination conditions.**

I would also like to remind all parents that the use of mobile phones, tablets, cameras or other electronic items are strictly prohibited on the school site. We recognise that some parents wish their daughter to carry mobile phones to and from school. All phones must be left in the school office during the school day.

All emergency calls should be routed through the school office. We urge parents to consider this carefully as mobile phone theft with violence is a regular crime throughout the country. Your daughter's device will be confiscated if she is caught using it on the school premises to take photographs, make calls or send messages.

All confiscated items must be collected by parents at the end of the school day. Please ensure that you contact your daughter's Pastoral Manager before coming into school as the items are locked in a secure place, with limited access.

In the meantime, if you have any queries, please contact the school.

Yours sincerely,

Mrs S Adu  
Headteacher

Miss S Nawaz  
Assistant Headteacher
