

Leadership Message

This week, we have been speaking about Children's Mental Health Week. This year's theme is '**Growing Together**' - a reminder that, just like physical health, mental health is something we nurture and support throughout our lives. This week, we have explored a variety of emotions and learnt about the importance of reaching out for help when it is needed.

We also celebrate a group of our Y3 and Y4 children who represented Hodge Hill at a Multi-Sports Festival run by AVFC this week. They participated in a range of team sports and worked together to learn new skills and have lots of fun!

Finally, a huge thank you to the overwhelming response to our call for a School Governor. We will be in touch with individuals to let you know the next stage in the process.

Focus on FUN

We believe that children learn best when they are engaged and excited about their learning. From hunting for ducks in geography to writing their own stories, inspired by our very own resident author, our children have been having lots of fun this week.

If you have any queries regarding our **SEND** provision, please pop-in to speak to **Mrs O'Rourke** during her Surgery, each **Tuesday** from **8:30-10am** (no appointment necessary)
