

Leadership Message

What a brilliant half term. We've had lots of learning, incredible pupil work on display, well attended parent classes and superb behaviour from our children.

There was a great turn out for Parents' Evening this week. Around 80% of parents booked a slot and we thank you for your support. Please call the office if you still need an appointment and we can get this organised for after the half term holiday.

This week has seen our year 1 pupils showcase their learning to parents in their Chinese New Year assemblies —thank you to the Year 1 team for getting the children's performance ready and for putting on such great shows, and thank you to all of the parents that attended.

We have had an attendance audit this week and I am happy to announce that we achieved the bronze Kite Mark Award. Please keep supporting us as attending school is crucial for safeguarding and academic / social progress!

Focus on FUN

This week we've been painting our own settings and using these to write a mystery story, we've used ICT to create art and we've dissected lambs' hearts to learn more about the circulatory system. At Hodge Hill, we think Learning is Fun!
