

## Leadership Message

**Inspiration** has to be the word of the week! At the start of the week, Chef Ibrahim encouraged Y4 to try new foods and learn new skills in a bid to open their eyes to the benefits of healthy eating. On Tuesday we loved working with Joel Fearon; he truly is a Great Athlete. We had so many questions for him—and he gave his time willingly to answer every one of them. On Wednesday the Animal Man brought in a range of mammals and reptiles to help our Y1 understand about classification of animals.

And our teachers have been inspired too. This week we welcomed two external education consultants to the school to help us examine our reading provision for all, and to look closely at our EYFS provision.

It is fair to say that this week, has been the embodiment of two of our school values, **Open Mindset** and **Spirit of Adventure**, for both children and adults. I can't wait to see what happens next!

## Focus on Healthy Eating

This week Chef Ibrahim came and taught us the different ways to cut food. We learnt the bridge cut and claw grip to help us make our salads.

## Breakfast/After school Club

Can I please remind all parents and carers that if you are wishing to use breakfast or afterschool club then children need to be booked in and the session paid for in advance so that we can arrange staffing numbers.
