

Leadership Message

We are incredibly fortunate to serve such a supportive community. We appreciate your efforts in helping to reiterate our expectations for learning and behaviour; we do not take for granted the relationships that we have built with you. You truly are a part of our Hodge Hill Family.

Recently, we have fostered new relationships. We must say a massive Thank You to Aston University, The Bell Inn, Total Building Solutions and Highway Spares Ltd for their sponsorship of our F1 team.

With their help, our very own **Hawkeye Racers** competed in the **Formula 1 in Schools National Finals** this week. They designed and created their own F1 brand and produced a race car which competed brilliantly against a strong field put forward by 50 other schools—three of whom flew over from Hong Kong for the competition!

Congratulations on your 3rd place finish!

Check out this link to follow their progress across the whole day. [F1 in Schools UK National Finals 2025: Primary Competition - YouTube](#)

They have shown that Partnership and Perseverance really does produce Excellence.

Medical Tracker

Shortly, school will begin using an electronic Medical Tracker. This system will replace the paper-based records that we currently keep of First Aid and Medications and will enable us to more efficiently communicate with families regarding school-based First Aid incidents. Look out for more details.

We are working with a UK charity who are working hard to fight child hunger because no child should have to choose between food and an education. Scan the QR code to find out how you can help...

Parking at School

Can I please remind parents/carers to take care when parking during the start and end of the school day. We are noticing that cars are being parked covering home owners driveways and pedestrian crossings which is making it unsafe for our families/children to cross the road. Thank you for your support in this matter.
