

Leadership Message

Dear Parents and Carers,

As we come to the close of another busy school term, I want to take a moment to reflect on all that we've achieved together.

This term has been filled with growth, resilience, and remarkable accomplishments across our school community. Whether it was in the classroom, at the F1 finals, through creative assemblies, our fantastic pop-up event, or in quiet moments of learning, our students have continued to show enthusiasm, curiosity, and a commitment to excellence. They truly are at the heart of all we think, say and do.

I would also like to thank our dedicated staff for their hard work and tireless support. Your passion for education and care for our students are what make this school a thriving and supportive environment. To our parents and carers, your ongoing involvement and encouragement play such a vital role in our shared success—thank you for being true partners in education.

As we head into the break, please take time to rest, recharge, and reflect. We look forward to returning with renewed energy and excitement for the opportunities that lie ahead in the summer term!

Carall.

YR 6 SATS WEEK

Medical Tracker

In the summer term, school will begin using an electronic Medical Tracker. This system will replace the paper-based records that we currently keep of First Aid and Medications and will enable us to more efficiently communicate with families regarding school-based First Aid incidents.

Change to Lunches

After the Easter Holidays children who bring a packed lunch will be expected to take all rubbish and food back home so parents are able to monitor consumption better.

The message is in response to new government guidelines that mean schools must place greater emphasis on sorting and recycling waste.

Support for the Easter Holidays:

Safeguarding concerns email:
