

## Leadership Message

As we approach the end of another bustling term, I want to take a moment to reflect on how proud I am of our school community. This past week has been filled with exciting events and memories that celebrate the hard work and dedication of our children. We've held four Year 6 leavers' assemblies, hosted a fantastic Trust Sports Day, and welcomed visitors from the Create Board of Trustees. Our attendance prize parties have also been a tremendous success, highlighting our students' commitment to their learning. Throughout these activities, our students have shown superb behaviour, and I am particularly proud of our Year 6 pupils who have truly excelled in their performances.

Looking ahead to next week, our children will spend one last week with their current teachers before transitioning to their new year groups or leaving us for secondary school. They will receive their school reports today, which I hope will instil a sense of pride in their achievements. Additionally, next week, students will bring home their school books to treasure as part of the memories they have made with us this year. Thank you, as always, for your remarkable support.

## Be Sun Safe

It looks like the sunny weather is set to continue throughout next week. While it brightens our smiles and makes us feel happy, please remember the importance of **sun-safety**: apply **suncream** in the morning, bring a **hat** and a **water bottle**, and seek **shade** during peak sun hours. At school, we do not expect children to wear **sunglasses** unless these are prescribed by an optician. Whether you are staying at home or heading abroad during the holidays, following these simple rules and staying sun-safe will help to keep you healthy and ready to learn and play!

## Focus on Attendance

Please take a careful note of the term dates above. We remind you that all term-time holidays will remain unauthorised and families may be subject to a fixed-penalty notice. Where families have repeated periods of unauthorised absence, the local authority may escalate this fine.

## Safeguarding

As we are approaching the summer holiday's please remember that we have our safeguarding email address [Safeguarding@hodgehill.create.org.uk](mailto:Safeguarding@hodgehill.create.org.uk) if you have any concerns or queries. Alternatively if you are worried about a child/family then please call 999 or CASS on 0121 3031888. Thank you!
