

## Hodge Hill School Improvement Plan January 26-July 26

Dear Children,

This year, everyone at Hodge Hill is working together to make our school the very best it can be. We want every child to enjoy learning, feel safe, and be proud of what they achieve each day. To help us do this, we have created a simple plan that explains the most important things we are focusing on across our school.

This plan is for all of us — children and adults. By working together, supporting each other, and always trying our best, we can make Hodge Hill an even better place to learn, grow, and shine.

With warm wishes,

Hodge Hill Team

**This year, our school is working on three big things to help everyone learn well, feel safe, and enjoy school. These goals are for all children and adults at Hodge Hill.**

### **1. Learning**

- ✓ We want all children to learn really well in every lesson.
- ✓ We are working especially hard on reading, writing, and maths.
- ✓ Teachers will help you understand your learning and challenge you to do your best.

### **2. Behaviour & Attendance**

- ✓ We want everyone to come to school every day.
- ✓ We want our school to be calm, kind, and friendly.
- ✓ We will help each other make good choices and focus on learning.
- ✓ We want adults to be able to do their jobs without disruption, so everyone can learn well.

### **3. Keeping Everyone Safe & Happy**

- ✓ We want everyone to feel safe in school.
- ✓ Adults will help you if you are worried or need support.
- ✓ We include everyone and celebrate our differences.
