Dear Parents

Please see below. Not for our primary aged pupils but may be of interest for any other young person within your family.

A message from the West Midlands Police Cadet Scheme

For the attention of all young people aged 13 -17!

The Police Cadet scheme provides excellent opportunities for young people. Most Cadet units are based in schools and colleges, making it a very accessible place for young people to attend.

We have 20 Units across the West Midlands Police force area so there will be a Unit in your local area.

There will be a great mix of like-minded young people reflecting the diversity of their local community who will participate in new experiences by:

- Attending social engagements
- Learning about British Policing
- Engaging with specialist Policing Departments
- Develop their life skills
- Meeting new friends
- Attend Force-wide events

If you are that young person or know of a young person that would benefit from this scheme please email cadets@westmidlands.police.uk for an application form.

Alternatively take a look at our X page @CadetsWMP for an insight to the world of Police Cadets.
