PRIME LEARNING: PUPIL GUIDE

P — PURPOSEFUL PRACTICE

- You need to be able to identify the core knowledge in every lesson and must make notes and revise this content.
- You should be able to make links between key concepts across different topics/texts/subjects.
- You must sit in your allocated seat and engage positively with the peers around you.
- You must enter all lessons responsibly, ready to learn with a positive mindset.

R — RECALL & RETRIEVE

- Complete all Do Now activities to show you can recall and retrieve key knowledge.
- Complete all tasks and activities in lesson to show you can apply core learning.
- Take care to answer questions precisely and attempt to answer any questions you are asked to the best of your ability.
- Revise for all assessments so that your teachers can see what you can remember and what needs to be retaught.

I — INFORMATION IS CLEARLY UNDERSTOOD

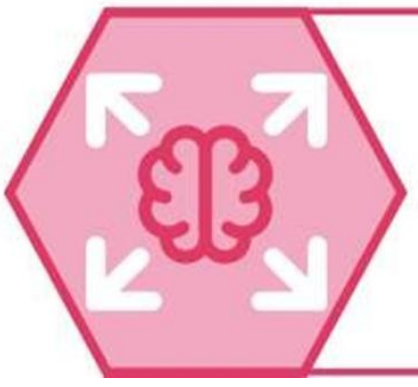

- Watch carefully when something is modelled to you – you need to replicate the expertise you see from your teachers.
- Practice oracy skills to articulate your learning clearly to peers and staff.
- Practice reading to ensure you can understand challenging information in written formats.
- Write like an expert to show clear understanding of your knowledge.

M — MAKE IT BETTER

- Use progress pen at multiple points in a lesson to correct errors and show progress with learning. We celebrate these moments as opportunities to improve.
- Respond to formative assessment feedback and complete constructive activities to close gaps.
- Ask questions if you're ever unsure.

E — EXTEND AND ENGAGE

- Try your best to excel every lesson.
- Actively engage in all lessons- we do not accept passivity.
- Pay attention to all speakers and activities during lessons, ready to contribute when required.
- Complete all homework tasks to consolidate and extend learning from the classroom.
