ATTENDANCE

Very Good 96%+

With this level of attendance you have given yourself the best possible chance of fulfilling your academic potential. Good attendance also appeals to colleges, universities and employers as it informs them you are dedicated and reliable.

Below Target 94 - 95%

With this level of absence, your grades will have already started to suffer. You will have missed some important information in lessons and need to catch up! The academy will be reviewing your absence level closely and may already be taking steps to ensure that it improves.

Not Good Enough 90 - 94%

Your chances of success are definitely at risk. If you have been ill, the academy will support you in doing the extra work needed to catch up. It is likely that if you have patterns of unexplained absences, the academy will already be taking steps to ensure your attendance improves. This might include working with other agencies to support your family in helping you to improve your attendance or even taking court action. You will be expected to attend a meeting with the Attendance Manager and Progress Leader to discuss your attendance.

Unacceptable 89% and below

Your attendance is a very serious concern. You are now classed as a persistent absentee and will already be working with the academy to make sure your attendance improves. Continued absence will likely mean fines and court action. You will be referred to the Local Authority for a fast track to prosecution.

PUNCTUALITY

At Hollingworth Academy we feel that punctuality is essential for three reasons:

- No pupil can afford to miss any part of a lesson, as this does not help the understanding of a subject.
- A pupil entering a lesson late could disrupt the learning of others.
- Punctuality records are always requested on references.

Due to the number of pupils arriving late after 8.40am, without a reason, a change to the system has been put into place.

Any pupil arriving after 8:40am will sign in at reception and be issued with a same day lunchtime detention.

Failure to attend a lunchtime detention will result in a whole day link room placement meaning that you will miss both your break, lunch, 5 lessons and will remain at school until 4pm.

MOBILE PHONES

The use of mobile phones is not allowed from the moment pupils enter the building and until they leave the building at either 3.05pm or 3.10pm. They must not be visible, (e.g. put away in bags or blazers) and switched off during the school day. The only exception to this is, if instructed to do so, under supervision, by a member of staff.

If you have your phone confiscated **three** times, it will not be returned to you and your parent/carer will have to come to school and sign for it.
