"EVERYONE EXCELS EVERYDAY"

CHARITY BAKE SALE

Our House teams went head-to-head in a charity bake sale, all in support of Cash4Kids. Students brought in an impressive array of homemade treats and showed incredible enthusiasm and teamwork as they sold their goods during their allotted times.

It was a closely fought contest, but Altair House claimed victory and earn valuable RISE points for their efforts.

Thanks to the generosity and hard work of everyone involved, we raised over £650 for a fantastic cause – a brilliant achievement and a true reflection of our school community spirit. Well done to all!
