PURPOSE OF THE PROCEDURE

This procedure confirms Hollingworth Academy's compliance with JCQ's **General Regulations for Approved Centres** (5.3z, 5.8) that the centre will:

- Maintain a written internal appeals procedure which must cover at least appeals regarding internal assessment decisions, access to post-result services and appeals, and centre decisions relating to access arrangements and special consideration. This procedure must be made available for inspection and be reviewed and updated annually by a member of the senior leadership team and communicated within the centre.
- Ensure that candidates and their parents/carers are informed of the internal appeals procedure.

This procedure covers appeals relating to:

- Internal assessment decisions (centre assessed marks).
- Centre decisions not to support an application for clerical re-check, a review of marking, a review of moderation or an appeal.
- Centre decisions relating to access arrangements and special consideration.
- Centre decisions relating to other administrative issues.

APPEALS RELATING TO INTERNAL ASSESSMENT DECISIONS (CENTRE ASSESSED MARKS)

Certain qualifications contain components/units of non-examination assessment, controlled assessment and/or coursework which are internally assessed (marked) by centres and internally standardised. The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by the deadline set by the awarding body for external moderation.

This procedure confirms Hollingworth Academy's compliance with JCQ's **General Regulations for Approved Centres** (section 5.7) that the centre will:

- Maintain a written procedure for internal assessment decisions, which is reviewed and updated annually and made available for inspection; and to ensure that details of this procedure is clearly communicated, widely accessible, and available to all candidates.
- Inform candidates of their centre-assessed marks before submission to the awarding body and allow candidates the opportunity to request a review of the centre's marking.

Hollingworth Academy is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Hollingworth Academy ensures that all centre staff follow a robust policy regarding the management of non-examination assessments, including controlled assessments and coursework. This policy details the procedures relating to these qualifications, including the marking and quality assurance/internal standardisation processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, who have been trained in this activity and do not have any potential conflicts of interest. If AI tools have been used to assist in the marking of candidates' work, they will not be the sole marker. Hollingworth Academy is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where more than one subject teacher/tutor is involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of their work, or that the assessor has not properly applied the marking standards to the marking, then the candidate may make use of the appeals procedure below to consider whether to request a review of the centre's marking.

Hollingworth Academy will:

1. Ensure that candidates are informed of their centre assessed marks, so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. Inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark, as a review will only focus on the quality of work submitted.
3. Inform candidates that they may request copies of materials (generally as a minimum, a copy of the marked assessment material (*work*) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment.
4. Having received a request for copies of materials, promptly make them available to the candidate within two working days. (This will either be the originals viewed under supervised conditions or copies).
5. Inform candidates they will not be allowed access to original assessment material, including artefacts, unless supervised.

6. Provide candidates with sufficient time, normally at least five working days, to allow them to review copies of materials and reach a decision.
7. Provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing within five working days of receiving copies of the requested materials in writing, by emailing exams@hollingworthacademy.co.uk; candidates must explain on what grounds they wish to request a review.
8. Allow three calendar days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks.
9. Ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question, and has no personal interest in the outcome of the review.
10. Instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
11. Inform the candidate in writing of the outcome of the review of the centre's marking.

The outcome of the review of the centre's marking will be made known to the Head of Centre, who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body. A written record of the review will be kept and made available to the awarding body upon request.

The awarding body will be informed if the centre does not accept the outcome of a review.

The moderation process carried out by the awarding body may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

APPEALS AGAINST DECISIONS TO REJECT A CANDIDATE'S WORK ON THE GROUNDS OF MALPRACTICE

The JCQ Information for candidates documents (Coursework, Non-examination assessments, Social media) which are distributed to all candidates prior to relevant assessments taking place, inform candidates of the things they must and must not do when they are completing their work.

The JCQ Information for candidates - AI (Artificial Intelligence and assessments) or similar centre document is issued to candidates prior to assessments taking place (and prior to a candidate signing the declaration of authentication which relates to their work).

Hollingworth Academy that staff delivering/assessing coursework, internal assessments and/or non-examination assessments are aware of centre procedures relating to the authentication of learner work and have robust processes in place for identifying and reporting plagiarism (including AI misuse) and other potential candidate malpractice.

Candidate malpractice offences relating to the content of work (i.e. inappropriate/offensive content, copying/collusion, plagiarism (including AI misuse) and/or false declaration of authentication) which are discovered in a controlled assessment, coursework or non-examination assessment component prior to the candidate signing the declaration of authentication does not need to be reported to the awarding body but will be dealt with in accordance with the centre's internal procedures. The only exception to this is where the awarding body's confidential assessment material has potentially been breached. The breach will be reported to the awarding body immediately.

If there are doubts about the authenticity of the work of a candidate, or irregularities are identified in a candidate's work before the candidate has signed the declaration of authentication/authentication statement (where required) and malpractice is suspected, Hollingworth Academy will:

- Follow the authentication procedures and/or malpractice instructions in the relevant JCQ document (*Instructions for conducting non-examination assessments/Instructions for conducting coursework*) and any supplementary guidance that may be provided by the awarding body. Where this may lead to the decision to **not** accept the candidate's work for assessment or to reject a candidate's coursework on the grounds of malpractice, the affected candidate will be informed of the decision.

If a candidate who is the subject of the decision disagrees with the decision:

- Submit a written request to the Headteacher, setting out as clearly and concisely as possible the grounds for the appeal, including any further evidence relevant to supporting the appeal should be submitted.
- A request in writing/via email should be submitted within two calendar/working days of the decision being made known to the appellant.

The appellant will be informed of the outcome of the appeal within five working days of the appeal being received and logged by the centre.

This procedure is informed by the JCQ documents Instructions for conducting non-examination assessments (4.6, 6.1, 9), Instructions for conducting coursework (6, 7, 13.5), Review of marking (centre assessed marks) suggested template for centres, Notice to Centres - Informing candidates of their centre assessed marks and Suspected Malpractice: Policies and Procedures (4.5)

APPEALS RELATING TO CENTRE DECISIONS NOT TO SUPPORT AN APPLICATION FOR A CLERICAL RE-CHECK, A REVIEW OF MARKING, A REVIEW OF MODERATION OR AN APPEAL

This procedure confirms Hollingworth Academy's compliance with JCQ's **General Regulations for Approved Centres** (section 5.13) that the centre will:

- Maintain a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support an application for a clerical re-check, a review of marking, a review of moderation or an appeal. This procedure must be made available for inspection purposes and ensure that candidates and their parents/carers are informed of its provisions.

Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the Exams Officer who is contactable on the following email address – exams@hollingworthacademy.co.uk.

Candidates are also made aware of the arrangements for post-results services before they sit any exams, within their candidate handbook. Candidates are also informed that senior members of centre staff will be available immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking. Candidates are made aware/informed via assemblies throughout the academic year and within their candidate handbook.

If the centre or a candidate (or their parent/carer) has a concern and believes a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below.

REVIEWS OF RESULTS (RORS):

- **SERVICE 1 (CLERICAL RE-CHECK)**
This is the only service that can be requested for objective tests (multiple choice tests).
- **SERVICE 2 (REVIEW OF MARKING)**
- **PRIORITY SERVICE 2 (REVIEW OF MARKING)**
This service is available for externally assessed components of both unitised and linear GCE A-level specifications. It is also available for Level 3 Vocational and Technical qualifications.
- **SERVICE 3 (REVIEW OF MODERATION)**
This service is not available to an individual candidate.

ACCESS TO SCRIPTS (ATS):

- Copies of scripts to support reviews of marking.
- Copies of scripts to support teaching and learning.

Where a concern is expressed that a particular result may not be accurate, the centre will look at the marks awarded for each component part of the qualification alongside any mark schemes, relevant result reports, grade boundary information, etc. when made available by the awarding body to determine if the centre supports any concerns.

If these concerns are expressed, the academy will follow the following procedure:

1. Following the publication of results, candidates are asked to complete and 'Access to Script' form so the Exams Officer will be able to download the necessary scripts and pass them along to the relevant Head of Department.
2. On access to the script, the Head of Department or subject specialist will determine if it is felt that the agreed mark scheme has been applied correctly in the original marking and if the centre considers there are any errors in the marking.
3. Support a request for the appropriate RoR service (clerical re-check or review of marking) if any error is identified
4. Collect informed written consent from the candidate to request the RoR service before the request is submitted.

5. Where relevant, advise an affected candidate to inform any third party that a review of marking has been submitted to an awarding body.

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service 1 or 2 (including priority service 2) is submitted to the awarding body. Consent is required to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded. Candidate consent must only be collected after the publication of results.

This consent will be gathered by the Exams Officer, who will email a RoR permission form over to the candidate prior to a submission for a RoR service 1 or 2.

For any moderated components that contributed to the final result, the centre will:

- Confirm that a review of moderation cannot be undertaken on the work of an individual candidate or the work of candidates not in the original sample submitted for moderation.
- Consult any moderator report/feedback to identify any issues raised.
- Determine if the centre's internally assessed marks have been accepted without change by the awarding body – if this is the case, a RoR service 3 (Review of moderation) will not be available.
- Determine if there are any grounds to submit a request for a review of moderation for the work of all candidates in the original sample.

CENTRE ACTIONS IN THE EVENT OF A DISAGREEMENT (DISPUTE)

Where a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking or a review of moderation, the centre will:

- For a review of marking (RoR priority service 2), advise the candidate they may request the review by providing informed written consent (and the required fee) for this service to the centre by the deadline set by the centre.
- After accessing the script to consider the marking, inform the candidate that if a request for a review of marking (RoR service 1 or 2) is required, this must be submitted by the deadline set by the centre by providing informed written consent (and the required fee for this service) for the centre to submit this request.
- Inform the candidate that a review of moderation (RoR service 3) cannot be requested for the work of an individual candidate or the work of a candidate not in the original sample.

If the candidate (or their parent/carer) believes there are grounds to appeal against the centre's decision not to support a review of results, an internal appeal can be submitted to the centre in writing via email to exams@hollingworthacademy.co.uk, at least five calendar days prior to the internal deadline for submitting a request for a review of results.

The appellant will be informed of the outcome of the appeal before the internal deadline for submitting a RoR.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications **Post-Results Services** and **JCQ Appeals Booklet** (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the Head of Centre is satisfied after receiving the RoR outcome, but the candidate (or their parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the Head of Centre. Following this, the Head of Centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the **JCQ**

Appeals Booklet. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The request in writing/via email should be submitted to the centre within 2 calendar days of the notification of the outcome of the RoR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of the awarding body issuing the outcome of the review of results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

This procedure is informed by the JCQ documents Post-Results Services and A guide to the awarding bodies' appeals processes

APPEALS REGARDING CENTRE DECISIONS RELATING TO ACCESS ARRANGEMENTS AND SPECIAL CONSIDERATION

This procedure confirms Hollingworth Academy's compliance with JCQ's **General Regulations for Approved Centres** (section 5.3z) that the centre will:

- Maintain a written internal appeals procedure which must cover at least appeals regarding centre decisions relating to access arrangements and special consideration. This procedure must be made available for inspection and be reviewed and updated annually by a member of senior leadership team and communicated within the centre.

Hollingworth Academy will:

- Comply with the principles and regulations governing access arrangements and special consideration as set out in the JCQ publications **Access Arrangements and Reasonable Adjustments** and **A guide to the special consideration process**.
- Ensure that all staff who manage and implement access arrangements and special consideration are aware of the requirements and are appropriately supported and resourced.

Access arrangements and reasonable adjustments

In accordance with the regulations, Hollingworth Academy:

- Recognises its duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates.
- Complies with its responsibilities in identifying, determining and implementing appropriate access arrangements and reasonable adjustments.

Failure to comply with the regulations has the potential to constitute malpractice which may impact on a candidate's result(s).

Examples of failure to comply include:

- Putting in place access arrangements/adjustments that are not approved.
- Failing to consider putting in place access arrangements (which may be a failure to comply with the duty to make reasonable adjustments).
- Permitting access arrangements/adjustments within the centre which are not supported by appropriate evidence.
- Charging a fee for providing reasonable adjustments to disabled candidates.

SPECIAL CONSIDERATION

Where Hollingworth Academy has appropriate evidence authorised by a member of the Senior Leadership Team to support an application, it will apply for special consideration at the time of the assessment for a candidate who is affected by adverse circumstances beyond their control when the issue or event has had, or is reasonably likely to have had, a material effect on the candidate's ability to take an assessment or demonstrate their normal level of attainment in an assessment.

CENTRE DECISIONS RELATING TO ACCESS ARRANGEMENTS, REASONABLE ADJUSTMENTS AND SPECIAL CONSIDERATION

This may include Hollingworth Academy's decision not to make/apply for a specific reasonable adjustment or to apply for special consideration, in circumstances where a candidate does not meet the criteria for, or there is no evidence/insufficient evidence to support the implementation of an access arrangement/reasonable adjustment or the application of special consideration.

Where Hollingworth Academy makes a decision in relation to the access arrangement(s), reasonable adjustment(s) or special consideration that apply for a candidate or candidates:

- If a candidate who is the subject of the relevant decision (or the candidate's parent/carer) disagrees with the decision made and reasonably believes that the centre has not complied with its responsibilities or followed due procedures, a written request setting out the grounds for appeal should be submitted.

- A request in writing/via email to exams@hollingworthacademy.co.uk should be completed and submitted within three working days of the decision being made known to the appellant.

To determine the outcome of the appeal, the Head of Centre will consult the respective JCQ publication to confirm the centre has complied with the principles and regulations governing access arrangements and/or special consideration and followed due procedures.

The appellant will be informed of the outcome of the appeal within five working days of the appeal being received and logged by the centre.

If the appeal is upheld, Hollingworth Academy will proceed to implement the necessary arrangements/submit the necessary application.

This procedure is informed by the JCQ documents A guide to the awarding bodies' appeals processes (3), Suspected Malpractice: Policies and Procedures (3.3), General Regulations for Approved Centres (5.4), Access Arrangements and Reasonable Adjustments (Importance of these regulations) and A guide to the special consideration process (1, 2, 6)

APPEALS REGARDING CENTRE DECISIONS RELATING TO OTHER ADMINISTRATIVE ISSUES

Circumstances may arise that cause Hollingworth Academy to make decisions on administrative issues that may affect a candidate's examinations/assessments.

Where Hollingworth Academy may make a decision that affects a candidate or candidates:

- If a candidate who is the subject of the relevant decision (or the candidate's parent/carer) disagrees with the decision made and reasonably believes that the centre has not complied with the regulations or followed due process, a written request setting out the grounds for appeal should be submitted.
- A request in writing/via email to exams@hollingworthacademy.co.uk should be submitted within three working days of the decision being made known to the appellant.

The appellant will be informed of the outcome of the appeal within five working days of the appeal being received and logged by the centre.

This procedure is informed by the JCQ document A guide to the awarding bodies' appeals processes (7)
