

HOLLINGWORTH CAREERS GUIDE TO: LABOUR MARKET INFORMATION (LMI)

The intended audience for this document is Students/Parents/Carers.

All students have an equal entitlement to high quality Careers Education, Information, Advice and Guidance.

At Hollingworth Academy we help you to prepare for choices and transitions affecting your future education, training and employment.

LABOUR MARKET INFORMATION (LMI)

Labour Market Information provides valuable insights into the local job market, including:

- Wage rates and job availability.
- Skills gaps and unemployment rates.
- Reports from professional organizations.
- Economic summaries of the local area.

LMI ensures that students have access to the relevant information needed to make informed and realistic decisions about their future career paths.

CAREERS SOFTWARE – XELLO AND LABOUR MARKET INFORMATION

At Hollingworth Academy, students in Years 11 to 16 use the Xello Careers platform. This online tool is designed to connect students aged 11-18 with potential career opportunities. Xello combines comprehensive information with a personalized experience and career planning tools to help students make informed decisions about their future studies and career options, while also enhancing their employability.

Xello includes:

- **STUDENT PROFILE:** Allows students to build a profile and access tailored study and career information.
- **MODULES:** Features activities that guide students through relevant information.
- **UP-TO-DATE INFORMATION:** Provides engaging content on study options, learning institutions, and the job market.
- **ONLINE RECORD OF ACHIEVEMENT:** Helps students document their skills for future applications and CVs.
- **EMPLOYABILITY ACTION PLAN:** Enables students to set goals and manage their career planning effectively.
