Dear Parents/Carers

We have been contacted by the Headteacher of a local primary school, regarding safety concerns caused by the high number of cars using Kiln Lane, especially at the end of the day.

Many schools in the community now finish around the same time, and this has resulted in a huge increase in traffic travelling up and down Kiln Lane.

The safety of our children, from all schools, is a priority. Therefore, please can I ask that, if possible, parents/carers try to find an alternative route from Kiln Lane, when travelling to and from Hollingworth Academy. The smooth flow of traffic will be helped if you can continue to try and park away from the academy and try to come up Cornfield Street and go down Moorland Avenue. Although there is not a one-way system in place, there will be less congestion and risk to our children if we could all do this.

Your co-operation in this matter would be greatly appreciated.

Kind regards

R McGinty
Headteacher
