

Dear Parents and Carers,

I hope you enjoy reading this edition of the Hollingworth Parent Bulletin, the last of the academic year. This year we have tried to capture as many of the great things that we have been doing at the academy and share and celebrate them with you, whether that be via our social media channels, newsletters or via this bulletin. I hope you have found this useful.

Once again, this edition is packed with lots of amazing events that have taken place over the summer term, too many for me to single out and so I really would encourage you to take some time to read through all the pages.

I would like to thank you for your support and partnership this past year as we have worked hard together to build on our successes and help Hollingworth to flourish.

Our staff and students have worked incredibly hard this year in order to lay the cornerstones of Hollingworth's rise to World Class status. Our new status is something that we should all be very proud of and celebrate together and our continued partnership as staff, students and parents/carers is key to making Hollingworth the outstanding education provider of choice in the area.

Finally, I am sure that you will all join me in wishing good luck to our Year 11 students who anxiously await their results in August. They have worked so hard; they truly deserve the very best results.

I would like to wish all our students and families a very healthy and happy summer.

Best wishes

Mr Robert McGinty

## Our new Management Information System

This year we are really excited about our new management information system 'Arbor' which will improve communication between the academy and parents/carers. All parents/carers will have access to the Arbor Parent Portal, this is your one stop shop for all the operational information you will need to co-ordinate your child's day. This parent portal will contain all outgoing communication from the school, will alert you when your child receives a RISE point and of course a FALL point. This will be our only form of communication regarding detentions, all other forms of communication with detentions will no longer be operational. If you find that you need some support setting your parent portal up, please contact the academy for further guidance.

## THE QUALITY OF EDUCATION AT HOLLINGWORTH ACADEMY

### QUALITY OF EDUCATION

At Hollingworth, we want to develop a world class curriculum with high quality teaching that ensures everyone excels every day. As we come to the end of this academic year, we can reflect on the great progress we have made in our journey.

We have hosted some amazing events that have allowed us to celebrate the achievements of our world class students, these will be explained in more detail in other sections of this bulletin. I would like to mention how great it was for me to personally attend the Year 11 Prom and host the Presentation Evenings; I also had great fun at the KS3 and KS4 Summer Balls. It was fantastic to see our students having such fun doing the conga and the cha-cha slide. We are very proud of all our students.

Our new Year 7 students joined us for their Transition Day on Tuesday 4<sup>th</sup> July 2023. It was great to see their enthusiasm and positivity. We cannot wait for them to join us in September!

## PROM 2023

## THE QUALITY OF EDUCATION AT HOLLINGWORTH ACADEMY

All our students now belong to one of four houses. On Wednesday 21<sup>st</sup> June 2023, all students, staff and parents were able to vote for their preferred house names. You will probably already know that the winner was the Star Constellations, and this is great because we believe all our students can RISE TO THE STARS. All our students now belong to one of the following houses: Altair, Orion, Pegasus and Sirius. Please ask your child who they belong to!

In September, our students will study the RISE Curriculum as part of their personal development and they will try to achieve RISE points, and always avoid FALL points throughout the academic year. RISE points and house events will lead to one of our houses being awarded the RISE Trophy. I am looking forward to seeing who the first winner of this will be.

We held our first Parent Forum meeting on Tuesday 6<sup>th</sup> June 2023. We asked parents how we can help our students learn more effectively and be happier at school. We received some great feedback and have used this to develop our new house system and our curriculum maps. I intend to host a Parental Forum once per term next year and you are all very welcome to attend. Your feedback is crucial to us.

Behind the scenes, our curriculum leaders have been doing great work to ensure we hit the ground running in September. It will be a major focus for us to inform you of what your children are studying at any point in the year. I know from personal experience that conversations about learning are not always easy, but our curriculum maps will help you do this; I will update parents about these in the new academic year. In September, we will also be introducing "PRIME Learning" to our students, this will help them become better learners; more information on this to follow.

As always, please do not hesitate to contact me at [cwilliamson@hollingworthacademy.co.uk](mailto:cwilliamson@hollingworthacademy.co.uk) if you have any feedback on how we can improve further as an academy. Thank you for your continued support.

I hope you have a wonderful summer holiday.

Kindest regards,

Colin Williamson

## BEHAVIOUR AND ATTITUDES AT HOLLINGWORTH ACADEMY

### Key information for the new academic year:

Congratulations everyone, as I reflect on a hugely successful year after having met so many of you at various events on our calendar, I consulted with a number of you on what information was vital for me to communicate with you prior to our return in September.

#### Uniform and equipment

Firstly, as you will already be aware we have updated our uniform, dress, and appearance policy. Students choosing to wear skirts to the academy should consult the new policy before returning in September. We have a stock of uniform in the academy and will be asking students to change should they not be in the correct uniform. In addition to this, we have taken parent feedback and worked with you to amend the language used in the policy to ensure our world class standards are clear and concise. See below for our uniform graphic and full uniform policy.

## SCHOOL UNIFORM

	<p><b>GREY SCHOOL BLAZER</b> (with academy logo.)</p> <p><b>PLAIN BLACK 'V' NECKED JUMPER</b> (optional)</p> <p><b>BLACK PLEATED SKIRT OR TROUSERS</b> (Permanent pleats, with the hem of the skirt on the top edge of the knee. Trousers must not be skinny or cropped but a standard tailored style and fabric.)</p> <p><b>PLAIN WHITE BLOUSE OR SHIRT</b> (tucked into trousers/skirt with top button fastened.)</p> <p><b>SCHOOL TIE</b> (with the Hollingworth logo visible, purple for Y7,8 &amp; 9, purple striped for Y10 &amp; 11)</p> <p><b>PLAIN BLACK HIJAB</b> (if appropriate)</p> <p><b>PLAIN BLACK ANKLE SOCKS OR BLACK TIGHTS</b> (No embellishments such as embroidery, patterns or bows. Ripped tights must be removed.)</p> <p><b>PLAIN BLACK FLAT SHOES</b> (Trainer styles will not be permitted.)</p> <p><b>JEWELLERY</b> (Students are only permitted to wear a wristwatch and one pair of stud earrings no more than 5mm in diameter – all other jewellery is not permitted.)</p> <p><b>MAKE-UP</b> (Make-up is only permitted for Y10 and Y11 students and must be subtle. Fake eyelashes, false tan and fake nails are not permitted.)</p>	
--	---	--

I would like to take this opportunity to recommunicate our list of equipment that students are expected to bring to school every day.

#### Essential equipment

School bag (rucksack/backpack style)  
 A pencil case  
 3 x black pens  
 1 x green pen  
 1 x pencil  
 A ruler  
 A highlighter

## BEHAVIOUR AND ATTITUDES AT HOLLINGWORTH ACADEMY

### Green slips and Red slips

After speaking with students, we decided it was time for a rebrand in terms of our behaviour management 'labels'. Some students found the terminology of 'slips' confusing as this connotes a tangible item. With our behaviour management system, it made sense to change the name.

**Green slips** will now be referred to as **RISE POINTS** and students will be awarded them for **RIISING** to our world class standards of respect, responsibility, resilience and excellence.

**Red slips** will now be referred to as **FALL POINTS** and students will be awarded them for **falling** short of our world class standards. **They will still trigger a 30 minute after school detention.**

### Our community

As a world class school, we are committed to delivering a diverse curriculum and upholding world class standards. This extends beyond our physical, geographical site. We believe that all students are part of Hollingworth for the 5 years that they study with us and beyond. This means that student responsibility does not end at 3pm or over the weekend. Students must conduct themselves in the community in a positive way and avoid bringing the academy in disrepute in any way. We are aware of external pressures that all families feel in 2023 and commit ourselves to supporting you, at the heart of this is our strong partnership and co-operation is key. We truly want the best for the students and the community of Milnrow and we must rely on each other to hold our young people to account and celebrate their successes. This will ensure the best possible outcomes for your children. Any school site is private property, both primary and secondary and nobody should be using fenced off areas to play sport or socialise in. Businesses both commercial and public sector are integral to the culture of our community and our colleagues, neighbours and friends deserve to be treated with respect. Therefore, please inform us if you have any concerns about any Hollingworth students in the community and we will work with you to manage that.

### First annual Hollingworth Summer Ball

Finally, I would like to take this opportunity to share with you some photographs from our first annual Hollingworth Summer Ball. We celebrated the efforts of the students who went above and beyond to excel every day, and it was a fantastic event.

"This is the best thing Hollingworth has ever done"

"Thank you for letting us do this"

"We should do more events like this"

Have a restful break and I look forward to meeting lots more of you in September.

At Hollingworth Academy we are passionate about attendance. Every student should aim to have 100% attendance or a minimum of 96%. Excellent attendance and punctuality are essential for students' success at school; establishing positive life habits that enable students to achieve their full potential. Year after year, the students with the best school attendance achieve the best results. Parents, carers, and families are therefore asked to ensure that their young person is in school for every day of term.

We are pleased to have seen huge improvements with attendance this academic year; thank you to parents, carers, and families for your support with this, we look forward to seeing further progress from September onwards.

A reminder that holidays during term time will not be authorised, they will be recorded as an unauthorised absence and referred to Rochdale Borough Council who may issue a Penalty Notice, please refrain from going on holiday in term time.

We ask that medical appointments are made outside of school hours, and proof of the appointment is provided to the attendance office so it can be authorised on the register. If it is not possible for the appointment to be arranged out of school hours, then we ask that pupils attend school before and after.

If your child is absent from the Academy, you must either email

[attendance@hollingworthacademy.co.uk](mailto:attendance@hollingworthacademy.co.uk) or telephone the absence line on 01706 292800 before 8:40am and provide a valid reason, the school will then determine if this absence is authorised based on a number of factors, including overall attendance.

If you require any help or support, or have any attendance related queries, please contact the attendance team directly via phone or email [attendance@hollingworthacademy.co.uk](mailto:attendance@hollingworthacademy.co.uk) and we will be happy to help.

Kind regards

## Academic Enrichment

We were delighted to welcome back University of Oxford's Language Exchange dept on Thursday 13th July. Students from across Rochdale were challenged to consider how language use will develop in the future - will it segregate or lead to increased integration, for example?

We received a generous offer from Dr Richard Michaelis (Executive Director of Oxbridge Academic Programs) to invite a number of students who have attended schools within Rochdale and that have participated in academic events hosted at Hollingworth Academy, to attend their month-long summer school at Pembroke College, from 2<sup>nd</sup> July-29<sup>th</sup> July 2023.

Students were selected from the following schools: Hollingworth Academy, Newhouse Academy, Holy Family, Cardinal Langley and Unsworth Academy (Bury). They departed Sunday 2nd July morning, accompanied by Mr Chris Dobbs (Director of OxNet Youth Scholars, Pembroke College, Oxford and Head of Academic Enrichment, Hollingworth Academy.)

During the exciting month programme, students will live as under – graduates at Pembroke College, study a range of academic subjects and engage fully in a programme that is set to challenge them to become the best versions of their academic selves.

The summer school also offers a vast selection of social activities which offers our students the opportunity to fully immerse themselves within an Oxbridge experience.

## Design & Technology Week June 2023

It was our annual Design and Technology Week from the 26th — 30th June and what a busy week it was! Students experienced a range of competitions, activities and challenges from 3D printing cookie cutters to programming LEGO robots.

### STEM CLUB

For five weeks our amazing STEM club students have been involved in numerous design and make activities from laser cut clocks, clay modelling, paper plane competitions and 2D Design keyrings. They developed a range of resilience, problem solving and teamwork skills all whilst having fun!

**"EVERYONE EXCELS EVERYDAY"**

On Friday 16<sup>th</sup> June, a group of Year 10 Triple Physics students took part in an online session presented by EVONA - an organisation that recruits exclusively for the entire space ecosystem; from the companies building rockets, rovers, landers or satellites, to those utilising space data through applications and software to help improve and protect our planet.

We had the chance to ask questions with experts in space engineering and to hear about the huge range of careers that are available in the sector. Who knows? We may have students at Hollingworth Academy who are involved in future missions to launch satellites, explore our Solar System or even land humans on Mars!

## Careers Events

In collaboration with @speakers4schools, Gamma colleagues delivered a workshop to tackle gender bias within the tech sector. The objective of this workshop was to embolden young individuals, irrespective of their gender, to envisage a future within tech, whilst stressing the need to confront gender bias in professional environments. Students were encouraged to exhibit skills such as introspection, analysis, and communication throughout the session.

Two Gamma employees (Emma Stringer & Lauren Green) delivered a 2-hour workshop to over 50 students to teach them the fundamentals of communication and technology in the growing business market, as well as sharing their own career profiles to inspire the students to consider that a career path can be obtained by transferrable skills, hard work and determination! Emma's role is customer focused (customer operations) whereas Lauren's role is people focused (human resources) and so students were asked to think about what transferrable skills they thought each would need to carry out their everyday duties. Students were finally asked to consider their own skills and what they would like to work on in the future should they consider a career in this field or in fact any corporate business.

## Careers Events

Careers in The Civil Service: BEIS, DWP and HMMPS ran a carousel event sharing information to a select group of students on careers in the civil service, how to find work, benefits of work and transferable skills.

## YOUTH TRAVEL AMBASSADORS

### About the programme

The Youth Travel Ambassador (YTA) programme provides young people aged 11–19 with the skills and confidence to address transport issues affecting their school community. With support from Transport for Greater Manchester (TfGM) and school staff, YTA teams research and develop behaviour change campaigns, focusing on active travel. They then deliver the campaign to the rest of the school, encouraging them to walk, wheel and cycle more often.

### Youth Travel Ambassadors

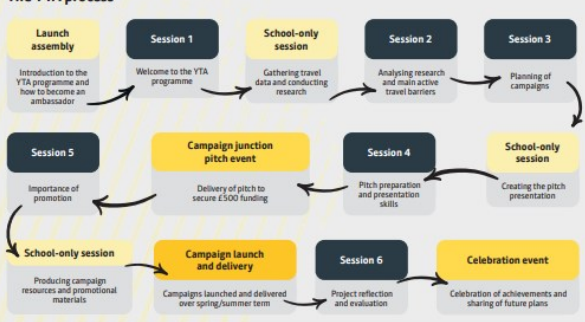

Schools appoint between eight and twelve Youth Travel Ambassadors (YTAs) who develop and deliver campaigns to their peers over the course of a year. With support from a YTA Coordinator across six sessions, students develop skills in a variety of areas, including:

- Presenting and public speaking
- Leadership
- Project management
- Collecting and analysing data
- Marketing and promotion

Campaigns may include themed assemblies, walking and cycling competitions, cycle training and courses, workshops, films, and community events.

### The YTA process

## YOUTH TRAVEL AMBASSADORS

### Appointing a school coordinator

You will need to appoint a school coordinator and their role will be to:

- Liaise with YTA coordinator throughout programme.
- Support ambassadors in gathering their research, preparing for their pitch, and planning and launching their campaign.
- Deliver the three supporting sessions (resources provided for this).
- Appointment of between eight and twelve Youth Travel Ambassadors.
- Allocate time to deliver the programme (one hour during lessons or after school).
- Register on Modeshift STARS and work towards National STARS Accreditation (support with this provided throughout).

### Links to subjects

YTA Activity	Subject
Presenting at pitch event/assembly	English
Collecting and analysing survey data	Maths and Science
Creating PowerPoint presentations	IT
Using maps and planning journey routes	Geography
Understanding benefits of active travel	PE
Working to improve school and community	Citizenship

### BENEFITS OF TAKING PART

- £500 funding to deliver YTA campaign.
- Invitation to two free interschool events.
- Opportunity to build links with transport professionals and organisations across Greater Manchester.
- Access to Modeshift STARS and nationally recognised accreditation.
- Students receive a badge and certificate in recognition of their work as an Ambassador.

Recruiting now.....Ms Calvey is looking for a group of dynamic individuals from Year 7 to Year 9 to sign up for the Youth Travel Ambassadors Programme. Ambassadors will work on a Community Campaign and, in doing so, will develop skills in a variety of areas, including Presenting and Public Speaking; Leadership; Project Management; Collecting and Analysing Data and Marketing and Promotion! Please go to Google Classroom for details.

## Careers Events

We were delighted to host Jay Blades for a live-streamed Celebration of Heritage Crafts. His message, "Believe in yourself", resonated with all of our students. This event was covered by The BBC.

We were delighted to welcome Amazon into our Year 7 Rewards Assembly on Monday 17th July to present Fahmida A from 7NM and six runners up with goodies for their entries into Amazon's national sustainability competition "Trash to Treasure". Amazon also presented a cheque to Hollingworth Academy which will be used to grow the Careers Education Programme.

## Trip of a lifetime

Five of our students will be travelling to South Korea in August to attend the 25<sup>th</sup> World Scout Jamboree.

George T, Oliver T, Harvey O, James W and Harrison C.

The Jamboree is a skills, cultural and adventure festival involving over 40,000 scouts from around the globe and sees them sharing skills. The boys were chosen after completing activities and challenges to demonstrate the skills and qualities in teamwork, leadership, resilience, ingenuity, and kindness.

In preparation for the trip, the boys have had to raise £4,000 each and have attended training camps and various events.

We wish them all the best in this exciting venture and look forward to hearing all about the trip upon their return in September.

## Speak Up Programme

On Monday a group of students who have worked hard all year on the National Theatre's Speak Up programme attended a celebration day at the Lowry Theatre. We enjoyed a theatre tour, found out lots of interesting information about the theatre, the Lowry building history and careers within the industry. They performed for theatre employees and were filmed by professional film makers.

Thank you to all students involved for spreading such amazing joy and happiness!

Speak Up will continue next year and we look forward to inviting new students to get involved and find their voice to Speak Up through a variety of art forms about things that are important to them.

## Rounders Summer 2023

The girls in each year group have trained hard each week since Easter and have competed in over 4.5 hours of rounders fixtures over their two tournament nights. The girls display of rounders skills and tactics was simply fantastic to watch and the girls thoroughly deserve their gold medals and success.

### **Year 7 Rochdale Champions. Well done!**

Played 8 fixtures - Scored 48 rounders – Conceded 11.5 rounders – Rounders difference + 36.5.

Annabel H, Jessica B, Monica A-I, Clemence L, Daisy W, Ava K, Elena D, Hannah K, Lucie M, Lily D and Enola D.

### **Year 8 Rochdale Champions. Well done!**

Played 8 fixtures – Scored 58 rounders – Conceded 16 rounders – Rounders difference +42.

Yoma O, Kylah H, Stevie T, Abbey B, Evie R, Ruby D, Daisy W, Ellie S, Lexi B, Evie W and Amanda G.

### **Year 9 Rochdale Champions. Well done!**

Played 9 fixtures – Scored 45.5 rounders – Conceded 17.5 rounders – Rounders difference + 28.

Lola N, Willow Q-S, Constance B-M, Evie W, Emily C, Tia E, Ella-Leigh T, Fahmida B, Mylee H and Jasmin W.

## Rochdale Schools' Athletics Competition

Earlier this month our school athletics team competed in the Rochdale Schools' Athletics Championships at Sport City. Amazing experience for our elite athletes to compete in such a world class venue. The performance of our students was exceptional, and we won 35 individual medals overall including 10 Golds, 17 Silver and 9 Bronze medals. Our Year 7 & 8 girls and Year 9 boys also won their team event.

## PE Sports Awards Evening – 12<sup>th</sup> July

On 12<sup>th</sup> July over 100 of our PE students joined us for a celebration at our Annual Sports Awards Evening at Mayfield Rugby Club. This year it was an 80's theme and, as you can see, the outfits fitted the occasion! We awarded our players of the season as well as recognising our most committed attenders to the after-school sports clubs. A particular congratulations to our three Sports Personality of the Year winners – Lucie M, Daisy W and Thomas I.
