Author of the Term

Summer Term 2024

Name:	**Satoshi Kitamura**
Appearance:	
Information:	Satoshi Kitamura was born in Tokyo in 1956 and moved to London in 1979 where he designed greeting cards. Satoshi says that when he was young he read comics and these are what sparked his passion for books. He translates all of his own work into Japanese and he has translated other books into Japanese too. In 2009 he left London and returned to Japan to care for his parents, but continues to write and illustrate books, travelling across the world.
Books By Satoshi Kitamura:
