History

Vision: At the Hollybrook Schools, we want History to fire children's curiosity about the past in Britain and the wider world and help them to understand the diversity of human experience.

Intent: We aim to:

- Provide opportunities for children to develop a chronological framework.
- Equip the children with skills to investigate the past and how it influences the present.
- Foster enjoyment, empathy and curiosity for finding out about the past.

Implementation: How will we achieve our aims?

Through a high-quality History curriculum that has been carefully designed and sequenced to equip our children with a secure, coherent knowledge of British, local and world history. Curriculum content is knowledge and vocabulary rich, allowing children to develop their understanding of abstract concepts as they move through school. Enquiring through sources is at the heart of this, ensuring the prior learning is built on and meaningful connections are made.

What do Hollybrook pupils learn to do in History? (Disciplinary Knowledge)

Enquire	Compare and contrast	Weigh evidence	Order chronologically
