What do British Values look like at the Hollybrook Schools?

Democracy

We make decisions. We take turns. We share ideas. We respect all ideas. We work together. We vote for our School Council, Learning Council and House Captains.

Rule of Law

We have high standards of behaviour. We understand right from wrong. We respect our environment. We care about each other and look after one another. We follow the school rules and the behaviours for learning.

Individual Liberty

We are free to express our opinions. We are free to share our feelings. We take on challenges. We develop our self-esteem. We choose what to play.

Mutual Respect and Tolerance

We treat others the way we want to be treated. We respect and celebrate all cultures and faiths. We respect the opinions of others. We show respect to one another through the use of VIP, Advocates and other such systems.
