Hollybrook Infant and Junior Schools

Home – School Agreement

At The Hollybrook Schools, we believe that children achieve best when there is an open and supportive partnership between pupils, parents, staff and Governors. This Home – School Agreement details the rights children and parents have and what they can expect from the schools. It also includes responsibilities that contribute towards supporting the school in its aim of providing school experiences which enable children to **dream** of their future, **believe** in themselves, **achieve** their best and **care** about the world and others around them.

As a school, we have a responsibility to…

Provide a broad and balanced curriculum.	*Provide opportunities for children matched to their individual needs.*
Respect children as individuals, taking time to listen, encourage them in their learning, support them in their difficulties, and praise them in their successes	*Provide excellent role models in all aspects of conduct and behaviour*
Keep parents and carers informed of their child's progress, achievements and to discuss any areas of difficulty as early as possible	*Be available to talk with parents about concerns they may have*
Provide guidance with regard to work that is to be completed at home	*Consistently follow agreed policies for managing behaviour.*
Promote the development of moral and spiritual values and your child's physical wellbeing while they are in school.	*Value the views and culture of all children by creating an inclusive ethos.*
