

# **Holme Community School Outdoor Learning**

## **Outdoor learning attitude**

I enjoy participating and reflecting in outdoor activities and have a positive attitude to challenge and adventure.

I am developing and skills of communication, problem-solving, creativity, critical thinking, leadership and co-operation

I show resilience through taking on challenges and achieving success.

## Autumn: Tools and nature

<b>EYFS</b>	<p>I can identify minibeasts and signs of different seasons. I can sweep for minibeasts. I can explore bolts, screws and washers and hit nails into wood with a hammer.</p>
<b>KS1</b>	<p>I can use a peeler safely in the right direction to peel vegetables and then to whittle sticks. I can identify different types of trees within the school and surrounding area. I can use a palm drill safely.</p>
<b>LKS2</b>	<p>Name and identify common garden birds, and talk about their features. I can use a peeler and sandpaper safely in the right direction to peel to whittle sticks. I can use a bowsaw and palm drill safely.</p>
<b>UKS2</b>	<p>I can identify a variety of animals, trees and wild plants around the area and their uses in their environment. I can use a peeler and sandpaper safely in the right direction to whittle sticks. I can use a hammer, palm drill, bowsaw and screwdriver to create something with wood.</p>

## Spring: Den building and knots

<b>EYFS</b>	I can tie shoelaces. I can make a simple den with pegs and tarp. I can make small animal shelters using loose parts.
<b>KS1</b>	I can tie an overhand knot. I can make a simple den with sticks, pegs and tarp. I can build a suitable den for a small animal, demonstrating that dens can take the shape of different forms.
<b>LKS2</b>	I can tie basic knots like half knot, half hitch knot and overhand knot. I can build a tipi shelter. I can build a den big enough for 2 people using 2 different types of knots.
<b>UKS2</b>	I can try more complex knots like timber hitch, reef knot and clove hitch. I can use knots to link tarps and join sticks for different den structures. I can build two different styles of den using a variety of knots.

## Summer: Fire and cooking

<b>EYFS</b>	I can explain fire safety and its risks. I can explain what makes fire. I can begin to collect materials needed to make a fire.
<b>KS1</b>	I can explain fire safety and its risks. I can build a basic fire and understand that some materials burn differently. I can use a flint and steel to make a spark on some cotton wool (fairy pillow)
<b>LKS2</b>	I can explain fire safety and its risks. I can discuss the fire triangle. I can collect dry tinder and use a flint and steel to practice making a spark to light cotton wool/tinder (fairy fires) I can build a fire with adult support.
<b>UKS2</b>	I can explain fire safety, set up all fire safety precautions and differentiate between hazard and risks. I can build a fire independently and be able to demonstrate to others how to build a fire safety.
