Dear Parent,

At this time of year, we would normally invite you to our Year 11 GCSE Information Evening, but obviously cannot do that with Covid restrictions. Instead, we have recorded the presentation and have shared it with you on [Youtube](#) and on our [school website](#) (please make sure you have sound). It contains some important information and attempts to answer frequently asked questions raised by Year 11 Parents.

Once you have watched the recorded presentation there is a very quick survey for you to complete with space to ask any further questions.
