Monday 17th May - School closure for Years 9 & 10 only

Dear Parent,

Due to flooding in parts of the school this evening we will not be able to operate at full capacity tomorrow. Therefore, we are asking pupils in Years 9 & 10 to remain at home tomorrow. They will receive remote lessons from their teachers on Teams and they should follow their normal timetable.

School will operate as normal as possible for Years 7, 8, 11 and Sixth Form. Mock resit exams for Year 11 pupils will also go ahead as planned.

We hope all pupils will be back in school on Tuesday. I'll update you tomorrow evening.

We are sorry for this unexpected disruption.

Kind regards,

Mr Symes
