Dear Parent,

Year 10 GCSE Parent Information Evening on Thursday 19th September 6.00 – 7.15pm.

Your child is embarking on their GCSE programme of study and we would like to invite you to an information evening so that you continue to be informed and involved. We will share key dates, research, tips and materials to help you to support your child navigate this important stage in their education.

The presentation will include:

- Key dates for this academic year.
- How to access college information and careers guidance
- Where you can get support and further information.
- Elevate Education Parental Seminar – how to support your child to study effectively at home.

We are pleased to invite **Elevate Education** along to talk to you about how they will be supporting you and your child over the next two years. Elevate work with over 700 schools in the UK and help pupils to use and apply the skills they learn. Elevate seminars and workshops are designed to achieve a behavioral change among pupils so that they know how to study and not simply what to study.

We look forward to seeing you in the main hall, we also welcome your son/daughter along to hear the presentation.

Yours sincerely,

Mrs K Parker, Deputy Head Teacher

Mrs H Holt, Year 10 Progress Leader
