Dear Parent,

Y12/13 Virtual Parents' Evening – Thursday 21st November 2024, 4pm-7pm

This is an opportunity for you to meet with each of your child's subject teachers to discuss their progress. This will be a virtual meeting using the School Cloud system that we used last academic year.

Meeting slots are available to book for: Thursday 21st November 2024 between 4.00pm and 7.00pm

Bookings can be made via our School Cloud system, at <https://holyfamilyhighschool.schoolcloud.co.uk>. You can indicate that you are unavailable to attend via this link too. The scheduled appointments are for seven minutes in length and will automatically end when the time is up (there is a countdown clock on the screen visible to both you and the teacher). Please note that there is no facility to extend your appointment length.

Due to class sizes in Criminology, Mrs Critchley will offer to meet the Year 12 classes on a separate evening. This will allow for their availability to you. They will meet their classes on Wednesday 20th November between 4pm-7pm.

In addition, English teachers are unavailable due to a GCSE theatre trip. They will offer the opportunity for a meeting very soon.

Please note that there are a limited number of appointment slots available for you to book with Holly Jones, our careers advisor. Holly offers impartial advice on a range of careers including Sixth Form courses, colleges or apprenticeship applications and general advice on careers or university. If you are interested in making an appointment, please select an appointment from the options on School Cloud.

A short guide on how to add appointments is included with this letter. You can login with the following information:

Title:

Parent Forename:

Parent Surname:

Student's Preferred First Name:

Student's Preferred Surname:

Student's Date of Birth:

Please note, your information, and the child's name, will need to **exactly** match the details we have on our system (eg Ms, Miss, etc).

Once your booking is complete you will receive a copy of your appointments via email. (Note: Sometimes this email goes into your Junk/SPAM folder, please check if it doesn't come through). Please find below a link to a guide for using the system. It is highly recommended that you test your device camera and microphone in the parents' evening system in advance of the event.

Yours sincerely
