This morning a number of children reported the following:

White male, approx 6-foot, strong scouse accent, cuts in face, teeth missing, very short brown hair, not aggressive but weird, behaving very odd and inappropriate, possibly under the influence of drink/drugs. It is said that he also wanted to get on the school bus, but the driver stepped in.

This was at the bus stop near the Tesco Express in Litherland. This has been reported to the police and we would like to thank the pupils who reported this to us. Please, again, do make them aware to report any incidents like this and, if they feel vulnerable at all, to call a parent or the police.
