Dear Parents/Guardians,

We are approaching our internal deadline for UCAS (university application) this week. If your son/daughter has not yet applied, they must see the Sixth Form team as a matter of urgency. We would urge them to apply even if going to University is not their first option as this will keep all pathways available, come results day.

We thank you for your on-going support and we are so proud of all those who have submitted their applications and received fantastic offers so far!

Kind Regards,

Mrs Gillian Beddow  
Head of Sixth Form
