

Thursday, 12 December 2024

Dear Parents/Carers,

The Sefton Immunisation team are attending school on **Tuesday 14th January 2025 to deliver outstanding HPV, MenACWY and Adolescent Booster to year 11 pupils**

All secondary school children are offered immunisations to protect them against HPV related cancers and boost their antibodies against Diphtheria, Tetanus, Polio and Meningitis ACWY ensuring they are protected into adulthood. Please access the below link if your child has missed any routine immunisations and complete the relevant forms. If you are not sure, please don't hesitate to contact the immunisation service on **01512476130** who will be happy to check your child's immunisation records.
