Thursday, 19 June 2025

Dear Parents / Carers,

The Geography Department are going to be taking Year 9 pupils to the local woodland for a fieldwork enquiry into carbon storage and the value of trees. We will be carrying out the study on the CHET site, part of Crosby Hall Education trust.

There is no charge for the visit. The fieldwork will take place period 4 & 5 only and will be completely in the school day, so they will finish at normal time. We will be taking two classes at a time, to collect data, in order to work out how much carbon storage our local woodland can hold.

9F2 & 9F1 will attend Friday 4th July

9H1 & 9F3 will attend Wednesday 9th July

9H2a & 9H2b will attend Friday 11th July

Your child's class teacher will remind pupils which day they will be attending. **On that day pupils have permission to wear their PE KIT if they are attending the trip.**

If for any reason you do not wish your child to attend, please email Mrs Taylor, by Monday 20th June, v.taylor@holyfamilyhighschool.co.uk

Best wishes

Mrs Vicki Taylor
Leader of Geography
