Dear Parents,

We have been made aware that some schools across Liverpool have received threats and that Chesterfield High School have gone into lockdown.

We have been in contact with Sefton and Merseyside Police. Merseyside Police have said there is no credible threat to our school and that there is no need to go into lockdown.

We have increased security around the site, we will remain vigilant and we will keep you informed if this situation changes.

The school day will continue as normal as per the advice from the police.

Thank you for your cooperation.

Mr Symes
Headteacher
