Dear Parents and Carers,

## **RE: Year 11 day off on Friday 27th March**

I am writing to extend our thanks for the continued support you have shown throughout the second round of mock examinations. We are extremely proud of the effort, focus and positive conduct demonstrated by our Year 11 pupils over the past few weeks. They approached their exams with an excellent attitude, and many have shown improvement since the first set of mocks.

As a recognition of their sustained effort, we are pleased to confirm that **Friday 27th March** is designated as time off for Year 11, they do not have to come into school this Friday! This is a well-deserved reward for the attitude and dedication they have shown throughout the mock period.

With the Easter break approaching, we encourage pupils to take time to rest, recharge, and gather their energy for the final push towards the GCSE examinations. At the same time, it is essential that they use this period wisely to revise, revisit their mock papers, and focus on plugging any gaps in their learning. A balanced approach during the holiday will make a significant difference to their confidence and readiness in the summer.

As we move into the final stage of preparation, please be assured that we will continue to support pupils in every way we can. Should you have any questions or need further information about revision, wellbeing, or next steps for sixth form, please do not hesitate to get in touch.

Yours sincerely,

Mrs K Parker  
Deputy Head Teacher
