Dear Parents, Carers and Students,

## **RE: Post-18 Options Information Evening**

I would like to invite Year 12 students and their parents/carers to our **Post-18 Options Information Evening on Tuesday 30<sup>th</sup> June at 6:00pm.**

The aim of this session is to provide information about the university application process, how students can prepare for apprenticeship applications, and the support available as they embark on the next stage of their academic journey. Parental support is invaluable throughout this process, as applications often require financial information from parents/carers and involve important decisions regarding students' future pathways.

During the evening, we will also outline our expectations for Year 13 and highlight key dates and milestones for the year ahead.

To support students with their applications, there will be two off-timetable days at the end of term dedicated to drafting personal statements for university and apprenticeship applications. The dates are as follows:

- Personal Statement Day 1 – **Monday 13<sup>th</sup> July**
- Personal Statement Day 2 – **Tuesday 14<sup>th</sup> July** (students will finish for the summer break once a draft personal statement has been completed)

We would be grateful for parents' support in ensuring that all students attend these important sessions.

I would like to take this opportunity to wish our Year 12 students every success as they begin planning and applying for their next destination. I look forward to meeting with parents and students at the information evening.

Yours sincerely,

Mrs Gillian Beddow  
*Head of Sixth Form*
