Dear Parents / Guardians,

The Geography Department are taking Year 9 students to a local woodland, Moorside Park. Pupil's will study the carbon storage capacity of trees. They will develop teamwork, maths, statistics and data analysis skills and enjoy Geography in the real world. We will be leaving after lunch and return in time for the school buses.

Each class will visit the woodland for one afternoon as follows:

Monday 6th July period 4 & 5
9F3 (JT) 9F1 (BRB)

Wednesday 8th July period 4 & 5
9H1 (BRB) 9F2 (VT)

Friday 10th July period 4 & 5
9H3 (VT) 9H2 (JT)

Essential information:

Pupil must come to school in their **black PE kit** on their assigned day. Long tracksuit pants or leggings are essential to avoid any potential scratches or nettle stings. Trainers are needed for walking to the park. If your child has allergies or hayfever, please make sure they have taken any medication needed as we will be outside. Any prescribed medication held in school will be taken with us on the 2 hour trip. Likewise if your child is prone to burn in the sun please apply a daily suncream before school. Further sun protection will also be taken for the walk.

If for any reason you would not like your child to visit Moorside Park during school hours please let me know directly by phoning the school on 01519246451 or v.taylor@holyfamilyhighschool.co.uk

We look forward to having a lovely afternoon learning outside the classroom.

Yours sincerely,

Mrs V Taylor

Mrs Vicki Taylor
Subject Leader for Geography
