Class Changes – Year 8 into 9

Dear Parents, Relatives and Carers,

As we move towards the end of Year 8, we are evaluating the teaching groups for Year 9. Each year we review the dynamic of the classes and change teaching groups. Form groups and maths sets remained unaffected by this. However, there might be some movement within maths based on end of year assessments.

We understand the importance of a pupil's class to them and always take the following into consideration:

- Peer relationships and the dynamic of pupils working together
- Teacher feedback
- Academic profiles
- SEND provision

This change is a good opportunity for pupils to work with different pupils and is good preparation for Year 10, when pupils move into a range of different groups based on their option choices.

Yours faithfully,

Mr A McTeague
Year 8 Progress Leader
