Dear Parents and Carers,

I am writing to inform you that school will close early at **1.30pm on Friday 3rd July** due to a number of contractors expected on site as part of our ongoing programme of improvements.

We are at the start of a programme of improvements around the school site including the replacement of the Sports Hall roof and the installation of a new modular building providing six additional classrooms. These projects will greatly enhance the learning environment for our pupils and should be ready for use at the start of the new term in September – fingers crossed.

Please be assured that all pupils will have the opportunity to have their lunch before they leave, and school buses will be available from 1.30pm.

Thank you for your understanding and continued support as we work to improve our school facilities for the benefit of all our pupils.

Yours faithfully,

Mr Symes
Headteacher
