Wednesday, 12 August 2026

Dear Parents and Students in Year 13 (and Year 12),

Year 13 - Results can be collected tomorrow from the Sixth Form common room. Please enter the site via the Sixth Form gate (this will be open - no passes required). Parking will be available for parents via the middle gate and onto the school playground. This is due to current building work taking place.

The Sixth Form team will be around to advise and assist anyone needing any support in securing University places or apprenticeships. Hoping you have all had a lovely summer so far and we are looking forward to seeing you tomorrow.

Year 12 - Due to the building work, we are asking Year 12 to not come in to collect their AS results, these will be emailed out to your school email. If you have any issues or queries regarding your results, please email one of the Sixth Form team.

Regards,

Mrs G. Beddow
Head of Sixth Form
